These members must also be approved prior to the defense. A Signature Page and Final Exam Form should be turned in to the Graduate Studies Coordinator upon completion. The complete and revised dissertation should be submitted to the Graduate School via the Proquest website according to Graduate School semester deadlines.

Committee Members: must receive approval from SOE prior to exam. Check Deadlines Sheet for dates.	**Department**	**Passed Defense Examination Requirements**	**Sem/ Year**
		☐ **Yes** ☐ **No**	

Transfer of Credit: *(If you have transfer credits you must complete the Transfer of Credit paperwork): Transfer credit is defined as any credit earned at another accredited institution, credits earned on another campus of the CU system, or credits earned as a non-degree student within the CU system. **The maximum amount of work that may be transferred from another accredited institution to CU Boulder is twelve semester hours and is accepted only after approval of the faculty advisor and Associate Dean for Graduate Studies. All courses accepted for transfer must be graduate level courses. A course in which a grade of B- or lower was received will not be accepted for transfer.** Transfer course work must have been completed in the five years prior to acceptance to the program. Credit may not be transferred until the student has completed 6 credits of graduate level course work as a degree-seeking student on the CU Boulder campus with a 3.0 GPA.
