E&ER is located at 3100 Marine Street, on the east campus of the University of Colorado at Boulder.

To get to E&ER and the University of Colorado east campus from U.S. 36 West (CO Hwy 119/28th St.), go:

1. Right (east) onto Baseline Rd, and proceed past the McDonalds (on your right). Get into the left lane before the first traffic light.
2. Left (north) onto 30th Street and then through two traffic lights (Aurora and Colorado).
3. Right (east) into the parking lot just north of the orange brick, two-story building at 1540 30th Street, across the street from Scott Carpenter Park. If you miss this turn, take the next right onto Marine St. and you will come out on the north side of ARC instead of the south.

E&ER is on the second floor of Administration and Research Complex (ARC), Building 73 on the map below. Follow the driveway between the two brick buildings; ARC will be the next building on your left. There are parking meters along the drive and a big parking lot to the right (for which you need a permit, business hours). Enter the main, rear entrance of ARC from the parking lot (south) side, take the elevator to the second floor, and head left out of the elevator toward the A wing on the south side of the building. Turn left again when you run out of hallway; E&ER's offices are at the end of this hall, room numbers A230-A237 or thereabouts.
