Fall 2014 Final Exam Schedule

If you have three or more final exams scheduled on the same day, you are entitled to arrange an alternative exam time for the last exam or exams scheduled on that day. If you have two final exams scheduled to meet at the same time, you are entitled to arrange an alternative examination time for the later course offered that day or week. Such arrangements must be made by the deadline to drop a course without dean and instructor's permission in the tenth week of the semester. Students should make arrangements with the instructor of the affected course and are expected to provide evidence of these situations to qualify for exceptions.

Check with your department for final exam meeting times that do not fall within the standard meeting patterns listed below.
