The Academic Excellence Program is…

- ✓ A great opportunity to realize your academic potential.
- ✓ A resource to help you SUCCESSFULLY navigate your way through an **undergraduate education** at CU *and* on to **graduate school**.
- ✓ A FUN and HELPFUL place to go where PEOPLE CARE.
- ✓ A community that offers additional academic advising and career decision-making assistance to fit your unique needs.
- ✓ A place to be CONNECTED! Get to know the people on campus who can get things done fast and right the first time!

All individualized to meet your needs!

Who Can Apply?

Undergraduate students who are:

- From a low income family
- A first generation college student (neither parent has a four-year degree)
- Diagnosed with a disability

About Our Programs

Summer Ready

A one-week extended summer orientation designed to equip every participant with the essential tools for a successful college experience at CU Boulder.

Fall Gateway

A two and a half day orientation that helps students better prepare for the academic and logistical demands of CU Boulder.

AEP/LEAD Scholars

A partnership with the CU Leadership, Excellence, Achievement, and Diversity (LEAD) Alliance that provides each participant with a scholarship and hands-on leadership training.

TASC (TRiO Advanced Study Community)

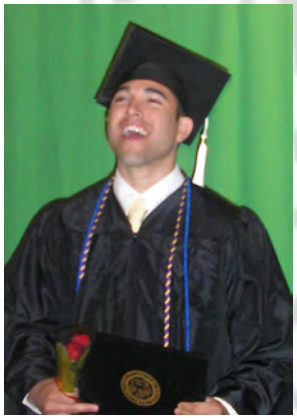
Helps students explore their field of interest and build research skills necessary for graduate school admission, while investing in undergraduate studies.

Guardian Scholars

This program provides additional services and opportunities for students who have aged out of foster/kinship care.

We Are a Part of SASC !
Student Academic Success Center

The mission of (SASC) is to provide equal opportunity for academic development and excellence for all students–. We facilitate student transitions, build community, increase retention and graduation rates and foster a campus climate that is accepting of all students.



Funded through a TRiO grant from the federal Department of Education in the amount of $310,164
