University of Colorado Boulder - Office of Contracts and Grants
NASA Assurance Acts – China Funding Restriction

Proposal Title: _____

Principal Investigator/PD: _____ PI/PD Email Address: _____

PI Department/Unit: _____

Do you have a Subrecipient on your budget? Y ☐ N ☐

Department Admin.: _____ DA Email Address: _____

OCG Contact: _____ Proposal Number: _____

Route Form to PI:* **Route to PI**

* NOTE: If the department/unit internally routes forms, then the OCG Contact and Proposal Number fields are optional. If the department/unit does not internally route forms, then only the Department Admin and DA Email Address fields are optional. If all fields are completed, then the electronic routing feature below will submit the form to both the OCG Contact and the Department Admin.

Policy

The Department of Defense and Full-Year Appropriation Act, Public Law 112-10 Section 1340(a); The Consolidated and Further Continuing Appropriation Act of 2012, Public Law 112-55, Section 539; and future-year appropriations will herein after be referred to as the "NASA Assurance Acts".

The NASA Assurance Acts prohibit NASA to fund any grant or cooperative agreement of any kind to participate, collaborate, or coordinate bilaterally with "China or any Chinese-owned company", at the prime recipient level and at all subrecipient levels, whether bilateral involvement is funded or performed under a no-exchange of funds arrangement.

- "China or Chinese-owned Company" means the People's Republic of China, and company owned by the People's Republic of China, or any company incorporated under the laws of the People's Republic of China.
- The NASA Assurance Acts do not apply to commercial items of supply needed to perform a grant or cooperative agreement.

Principal Investigator / Project Director Certification

I acknowledge that I am aware of, understand, and will conform to The Department of Defense and Full-Year Appropriation Act, Public Law 112-10 Section 1340(a); The Consolidated and Further Continuing Appropriation Act of 2012, Public Law 112-55, Section 539; and future-year appropriations known as the "NASA Assurance Acts".

The principal investigator (PI) and/or the Project Director (PD) specifically certifies the following in regard to this proposed project:

In strict compliance with the NASA Assurance Act, no individual assigned to work on this project (including students) participates, collaborates, or coordinates nor will participate, collaborate or coordinate bilaterally with China or any Chinese-owned company, at the prime recipient level and at all subrecipient levels, whether bilateral involvement is funded or performed under a no-exchange of funds arrangement.
