Who's Who? New Faculty Cohort 2022

What the faculty who joined us in AY 2021-22?

Our faculty are the most important resource we have in our university community where we grounded our faculty in our dedicated to teaching, research, creative work, and collaboration in the service of the public good. Our faculty teach and work with our SUSG students and prepare our students to be successful in their careers. The Office of Faculty Affairs strives to support faculty members through each stage of their career. Click hiring to rating.
