presents

The 13th Annual Accessing Higher Ground:
Accessible Media, Web, and Technology Conference

November 15–19, 2010

<http://www.colorado.edu/ATconference>

Over 60 Sessions Including Lectures and Hands-on Labs

The conference will host over 60 sessions, including hands-on labs and lectures, which will focus on the availability and benefits of accessible media and assistive technology in university, public and business settings. The pre-conference will include two days of hands-on workshops and lecture sessions. All events will take place at the Westin Westminster, Colorado (about midway between Boulder and Denver).

Who Should Attend?

This conference is intended for individuals who need to design or provide accessible websites, media, information resources, and technology in academic, public or business environments. ATTENDEES INCLUDE: web designers, assistive technologists, persons with disabilities, business persons, disability specialists, ADA officers, human resource personnel, faculty, media specialists, librarians, and programmers interested in accessible design.

Tracks and Special Events

Equal Access to Software & Information (EASI) will present a track of sessions on topics such as captioning YOUTUBE videos and the progress of accessibility in other countries.

The Rocky Mountain ADA Center will present a series of ADA-focused sessions on topics ranging from *recent changes in regulation* to *conducting an ADA facility audit* to *the responsibilities of states and local governments under Title II of the ADA*. See the specific list of sessions on the conference site.

ATHEN Track & Annual Meeting

Access Technologists Higher Education Network will present a track on topics ranging from creating accessible multimedia and PDFs to Testing Moodle for Accessibility and Usability.

ATACP (FastTrax)

You can take CSUN's Assistive Technology Applications Certificate Program (ATACP) FastTrax training on Nov. 15 & 16 at the Westin and then attend the AHG main conference, receiving a 10% discount on each event. Read more about ATACP at <http://www.csun.edu/cod/training>.

Dolphin Computer Access & AHEAD Tracks on Alternate Format Production

- **The AHEAD Institute on Curriculum Access** is a two-day pre-conference seminar which builds on the original AHEAD best practices for e-text production taught by two experts in e-text & alternate format production – Ron Stewart and Gaeir Dietrich.
- **Dolphin** will present a track of sessions on alternate format production tools and processes, including Dolphin's own EasyConverter.

Dolphin will also present a series of sessions on its Assistive Technology tools for low-vision, blindness and print disabilities.

WebAIM will conduct two half-day, hands-on pre-conference workshops on Web accessibility, titled *Building Accessible Web Applications with ARIA & Building an Accessible HTML5 Web Page*. WebAIM will also present *Do We Need to Change the Web Accessibility Game Plan?* at the Main Conference.

Keynote Luncheon Speaker: George Kerscher, PhD., Secretary General, DAISY Consortium

eBook Standards, Laws, and Current Implementations

George Kerscher began working on document access in 1987 and has been a tireless advocate and leader for accessible information and book access ever since. See more of Dr. Kerscher's biography at <http://www.colorado.edu/ATconference>.

Accommodations

Westin Westminster Hotel, Westminster, CO

The 2010 conference will be return to the Westin Hotel, a four-star venue in Westminster, Colorado, about 15 miles southeast of Boulder, about 13 miles from downtown Denver and 30.5 miles from Denver International Airport (DIA). It offers 30,000 square feet of meeting space at an affordable room rate.

A block of rooms has been reserved at the Westin Hotel for the week of November 15, 2010. The conference room rates are

\$125 for a single and \$135 for a double and include free Internet access and a \$10 coupon toward breakfast or any meal in the hotel restaurant. When you make your reservation you must mention that you are requesting a room for the CU Accessing Higher Ground Conference in order to receive the discounted room rate. Contact the Westin directly for reservations or information at 1-800-937-8461, 303-410-5000 or book the room directly online at <http://www.starwoodmeeting.com/StarGroupsWeb/booking/reservation?id=1009023685&key=8AE0C>. (Link also posted on conference website). The reservation deadline for the conference rate is Oct. 15, 2010.

Directions from DIA to the Westin

(10600 Westminster Blvd.): From DIA, follow Peña Boulevard (10 miles) south. Exit onto I-70 west and follow it to I-270 west. I-270 merges onto U.S. 36 west. Follow 36 west for approximately 12 miles to the 104th Ave. exit toward Church Ranch Road. Turn right onto 104th Ave. Turn left.

Wheelchair Accessible Rooms

ADA compliant guest rooms with handrails and roll-in showers are available. Please let the hotel reservation staff know your needs at the time you make your reservation.

Registration Deadlines & Restrictions

For early registration rates, complete the registration form online or fax or mail the form by October 1, 2010. Late registration fees will apply to forms postmarked after October 1. Please make checks payable to the University of Colorado. Additional information will be sent with your registration confirmation. The registration link will be closed on November 9. After November 9, you must register onsite. The University of Colorado does not accept purchase orders. Final payment must be made before or at onsite registration. If we have no record of payment at registration, we will require payment at that time. We cannot bill for registration fees.

Refund Policy

Refunds will be given if a written request for cancellation is received by October 15. Cancellations are subject to a \$50 fee. No refunds will be made after Oct 15. Refund requests may be e-mailed to ahg@colorado.edu or faxed to 303-492-5601. Refund requests will not be accepted on the telephone.
