**Television/TV Theme Lyrics - 50's, 60's, 70's soundtrack lyrics**

Who can turn the world on with her smile?  
Who can take a nothing day, and suddenly make it  
all seem worthwhile?  
Well it's you girl, and you should know it  
With each glance and every little movement you  
show it

Love is all around, no need to waste it  
You can have a town, why don't you take it  
You're gonna make it after all  
You're gonna make it after all

How will you make it on your own?  
This world is awfully big, girl this time you're all alone  
But it's time you started living  
It's time you let someone else do some giving

Love is all around, no need to waste it  
You can have a town, why don't you take it  
You're gonna make it after all
