How does inclusion work?

What fosters an inclusive dynamic? What are dynamic approaches to broadening inclusive practices in your community, school, culture, or nation?

Undergraduates: We welcome papers and presentations of any genre — narrative, analysis, multimedia — from any discipline.

Submit your proposals now to present at the Conference Feb. 21, 2013. Possible topics include but are not limited to: race/ethnicity; social/economic/environmental justice; liminal cultural spaces; immigration; culture/arts; gender/sexuality; ability/access; religion/spirituality.
