**FINAL EXAMINATION - Friday, May 16, 1980 11:30-2:30 Chps. 14-17, 21-22**

**Grades:**
- 1st midterm - 100 points
- 2nd midterm - 100 points
- Final - 100 points
- Recitation quizzes - 100 points

Final grades will be determined on the basis of total points.

**Recitation Section:** In addition to the three lectures per week, everyone will be assigned to a recitation section which meets for 50 minutes once a week. Attendance is important. Six short quizzes will be given in the recitation sections. The best five of these will comprise the recitation grade. (Each quiz worth 20 points)
