EXAMS:
The final exam is optional for anyone who has taken all three exams during the
semester. When the third exam is handed back, those of you who have taken all
three exams will receive a tentative grade for the class which will be permanent
if you do not take the final. If you wish to improve your grade, you may try to
do so by taking the final. If you do not take all three exams during the
semester, you must take the final. There are no make-up exams. The three exams
during the semester account for 90% of your pre-final exam grade.

Papers: None

Small classes:
These will be used to discuss specific topics or written assignments, answer
questions, prepare for exams, go over the grading of exams, etc. An announce­
ment will be made each Thursday concerning what will be done in the small
classes in the following week. Attendance will be taken. Performance in the
small classes accounts for 10% of your pre-final exam grade.
