Intermediate Microeconomic Theory

Prerequisite:
Math 107, 108 or equivalent

Instructor: Jamie Kruse
Office: Econ 103
Office Hours: M 1:30-2:30
Th 10:00-11:00
Office Phone: 492-8736

Grading Policy:
Each student's course grade for Economics 407 will be determined on the basis of the total number of points earned on two midterm exams, a comprehensive final exam and five announced quizzes. Each of the exams will be worth 100 points. Each of the quizzes will be worth 10 points. During the course of the semester, more than five quizzes may be given. Then, only the five highest scores will be counted.

Make-Up Exams
Each student is expected to take all of the exams and quizzes at the designated time and place. Students who miss any exam or quiz without a university-accepted excuse will receive a grade of zero for the missed exam. Make-up exams will not be given. For those who miss a midterm exam and do have a university-accepted excuse, the final exam will count equally with the midterm exam taken to compute the student's overall average grade. For those who miss two midterms exams with a university-accepted excuse, the grade earned on the final exam will be given the weight of 2 midterms and the final. A make-up exam will be given to those who miss the final exam and do have a university-accepted excuse. (Students who miss an exam should provide a signed written statement, in a timely manner, explaining the relevant circumstances.)
