Intermediate Microeconomics deals with the study of the ways in which choices are made. We will look at the choices made by individuals, businesses and governments.

**Grading:** The grade received in this class will be based on the following criteria:

- **50% on tests:** two exams will be given, a mid-term and a final, each worth 25% of the total grade. Exams will be a combination of multiple-choice and short answer.

- **50% on in-class work and homework.** To receive credit, all assignments must be turned in when due. There will be no makeup work allowed. Students will be allowed to drop two assignments without penalty.
