GRADES

The grading policy is as follows:

<table>
<thead>
<tr>
<th>Component</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Midterm</td>
<td>20%</td>
</tr>
<tr>
<td>2nd Midterm</td>
<td>20%</td>
</tr>
<tr>
<td>Homework/Recitation</td>
<td>20%</td>
</tr>
<tr>
<td>Final Exam</td>
<td>40%</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>100%</strong></td>
</tr>
</tbody>
</table>

Your recitation grade will consist of problem sets and participation. There will be between 4 and 6 homework assignments throughout the semester. You are required to attend recitation. Your grade depends on it.

If for any reason you miss a midterm exam, your final score will be valued at 60% rather than 40%. This is how you will "make up" a missing grade. (I am not willing to write any make-up exams this semester. That is, you may either take the test with the rest of the class or not take it at all.) You do not need to discuss the reason of your absence with me. Your grade will be automatically adjusted. Missing both midterms is a real problem.

The final is comprehensive. You must pass the final exam in order to pass the class.
