Grading:  
There will be three exams during the semester plus a cumulative final to be held on December 18, 1997, 7:30 - 9:30 a.m. Each midterm is worth 150 points, and the final is worth 200 points. I will drop your lowest midterm score, so there is a total of 500 points possible.

If you miss an exam for any reason, excused or unexcused, that exam will be dropped. No makeup exams will be given. There may be opportunities throughout the semester to earn extra points. Attendance will be taken daily and may affect your grade. Homework assignments will not be graded, but you are expected to attempt all assignments and ask questions when needed.

Your grade will be assigned using the following scale:

<table>
