Readings: Macroeconomics, 6th Ed. by Byrns & Stone

Grading:  
1st exam (Feb.12) 110pts.  
2nd exam (Mar.10) 110pts.  
3rd exam (Apr.9) 110pts.  
4th exam (May 7) 110pts.  
Recitation 60pts.  
TOTAL 500pts.

During the course there will be four exams. Exams are not cumulative. Tests will consist of multiple choice questions and some longer problems. The first test will cover the first six chapters. Each of the following exams will cover four or five chapters. Because it is difficult to tell how fast we will cover some material, I will tell you what the reading assignments are as we get to them, but in general we will cover a chapter every two class periods.

Your recitation grade will consist of quizzes and assignments determined by the TA. Recitation will make up 12% of your final grade.
