Grading Policy:
- Mid-term (100 points) - We will have an in-class exam before we begin ch. 17. This exam will cover consumer choice theory, and will be in early March.
- Final (200 points) - There will be a cumulative final exam (date and time above)
- Quizzes (100 points) - Every Friday, beginning 16-Jan, a quiz from the "workouts" book will be assigned. The quizzes are due the following Friday, in class. For your help with the quizzes, the answers for the associated chapter problems in the "workouts" book will be posted each Monday, before the quiz is due.

***10 extra credit points will be awarded to everyone who sends Dave e-mail by Friday, January 24th, at 11:59:59.99 PM. Details will be given during class. Your message must include your name, CUID# and your class (in this case, "micro principles")***
