**TEXTBOOK:**  
Lectures will follow the textbook chapters. Homework assignments will also come from the textbook. The third edition of the book is similar, but I will assign homework from the most recent edition and it will be your responsibility to make sure you are doing the assigned homework.

**COURSE DESCRIPTION:**  
This class is the second of a two-course sequence, and a continuation of ECON 1078. We will study derivatives, optimization, and integrals. These are **Chapters 6, 7, 8, 9 and 11** in the textbook. These tools will help you better understand the mathematical framework on which economic models are based and help prepare you for more advanced economics courses.

**PREREQUISITES:**  
ECON 1078 or its equivalent

**CLASS ATTENDANCE:**  
You are responsible for all material covered in class lectures. Attendance at all lectures is strongly recommended. Missed quizzes and exams **cannot** be made-up for any reason.

**LAPTOPS/TABLETS:**  
**There is to be no laptop, tablet, or phone use for this class at any time, for any reason.** The only exception to this rule is if disability services mandate that you must be allowed to use a laptop for note taking purposes. In this case, an official letter from disability services is required.
HOMEWORKS:
Homework Assignments will be assigned regularly throughout the semester. These assignments will not be graded, but quiz questions will be very similar to those on the homework.

QUIZZES:
Quizzes will be given throughout the semester. Some will be announced ahead of time, some will not. I will drop your lowest quiz grade.

EXAMS:
Three exams are scheduled on the days listed below, during regular class time. Therefore, no early exams, no late exams, and no make-up exams will be given. Any material covered in lectures or in homework will be fair game for the exams.

You are responsible for bringing pencils, your student ID, and a calculator. Graphing calculators and cell phones are not allowed under any circumstances.

FINAL EXAM:
If you have 3 or more finals scheduled on the same day, you may reschedule all exams after the first 2. You must notify me by February 20th in order to reschedule the final exam.

EXAM DATES and TIMES:

Midterm 1: Friday Feb. 14th
Midterm 2: Friday March 14th
Midterm 3: Friday April 18th

Classroom Behavior Policy

Students and faculty each have responsibility for maintaining an appropriate learning environment. Those who fail to adhere to such behavioral standards may be subject to discipline. Professional courtesy and sensitivity are especially important with respect to individuals and topics dealing with differences of race, color, culture, religion, creed, politics, veteran's status, sexual orientation, gender, gender identity, and gender expression, age, disability, and nationalities. Class rosters are provided to the instructor with the student's legal name. I will gladly honor your request to address you by an alternate name or gender pronoun. Please advise me of this preference early in the semester so that I may make appropriate changes to my records. See policies at
