Economics 4339—Economics Honors: Seminar 2
Spring 2015, Tues 3:30-6, Econ 5

Professor Nicholas Flores
Economics 210
Voice: 303-492-8145
Email: Nicholas.Flores@Colorado.edu

Office Hours
Tuesday 1-2:30 or by appointment. My schedule is reasonably flexible. Please email me to arrange meetings outside of office hours.

Course Objectives and Structure
The primary objective of this seminar is to provide a framework that will lead to the successful completion and defense of your honors thesis. Therefore, the majority of the class time will be spent directly on this objective. You will provide regular status reports regarding your progress on your honors research. You will submit portions of your written thesis to me and to the class to receive feedback, and you will provide feedback on the writing of your classmates. You will also perform practice presentations of your research in preparation for your oral defense, and provide feedback on the presentations of your classmates. Because a primary goal of our seminar is to provide a setting in which students give and receive feedback on their research and their written and verbal presentations of that research, attendance is mandatory!

Grades
Your grade will be based on a combination of your final honors thesis document, your oral defense, class participation, and post-defense assignments. Therefore, while your grade will be correlated with your final honors designation, it can be improved or damaged depending on the quality of your participation in our class activities. Economics 4339 does not count towards economics major credit hours, but only as elective hours toward the total Arts and Sciences hours required for graduation. However, this course does provide you with a unique setting in which to pursue and discuss original research with equally skilled and motivated peers.

Honors Deadlines
Monday, December 1: Registration forms are due to the Honors Program Office.
Tuesday, April 7: Last day to defend honors thesis and defense copy of your thesis is due to honors program office by 4 p.m.
Monday, April 13: Final copy of thesis is due to the Honors Program Office by 4 p.m.
For more information refer to class handout or http://www.colorado.edu/honors/graduation.
