

Information for the Fall 2009 English Graduation Ceremony

The Department of English Graduation Ceremony is scheduled to begin promptly at 2:00 p.m. and will be held in the Old Main Chapel. A reception will precede the ceremony from 1:00-2:00 p.m. in the Heritage Center. Please try to arrive by 1:45 p.m. The ceremony will be brief, but we need to allow enough time to individually recognize each undergraduate and graduate student.

□ Before the Ceremony □

Both the Old Main Chapel and the Heritage Center are located in Old Main on the northwest side of campus. The building is wheelchair-accessible through the Northeast side on the ground floor. A table will be located at the entrance of the room—please stop to fill out a 3” x 5” card with your name, your major(s), and if you are receiving honors, please indicate the designation. Keep the card with you. After the guests are seated, the graduates will be asked to line up. As you proceed to the podium, please hand your card to the Undergraduate or Graduate Director, depending on the degree you will receive.

□ General Commencement Information □

Academic dress is optional. The ceremony does provide a good opportunity for family members and friends to take photographs, so many graduates choose to wear caps and gowns. Please visit <http://www.colorado.edu/commencement/winter/capsandgowns.html> for information on caps and gowns. Information regarding the University Commencement Ceremony is available at <http://www.colorado.edu/commencement>.

□ Parking □

Metered and side street parking is available north of University Avenue along Grandview Avenue. Handicapped-accessible parking is available on Pleasant Street outside of Macky Auditorium. The Euclid Avenue Autopark, located on the northwest corner of 18th and Euclid, just east of the University Memorial Center, however, will not be free the day of Commencement.

□ We look forward to seeing you there □
