

Executive Committee Meeting

Monday, April 18, 2005

The Chair welcomed everyone to the meeting and began with the announcement that Hank Brown has been named the 21st president, and that there is a very strong push to move the university system offices, most likely to Denver.

Bintliff introduced Elizabeth Dunn who brought with her a draft of her report on ways to address the student alcohol abuse problems on campus.

Bintliff encouraged the faculty to read the report carefully and send comments and that the report would be seen prior to sending it to the full BFA. She thanked Dunn for her work and for meeting with the committee.

Susan Avery joined the committee and non-voting members were asked to leave the meeting.
