

Boulder Faculty Assembly
Resolution on “Focus the Nation” Initiative
BFA-R-110107

The Boulder Faculty Assembly voluntarily supports the “Focus the Nation” initiative, which is a national educational initiative on global warming. It is a national symposium on global warming and global warming solutions, and will be taking place on January 31, 2008, all across the United States.

From BFA Chair Uriel Nauenberg
Resolution presented to the BFA: November 1, 2007
Approved by the BFA: November 1, 2007
