GEOL 3540: Introduction to Petroleum Geology	Mike Berger
GEOL 3950: Natural Catastrophes and Geologic Hazards	Megan Statler
GEOL 4060: Oceanography	Darren Larsen
GEOL 4093: Remote Sensing of the Environment	Mike Berger, Christina Johnson
GEOL 4130: Principles of Geophysics	Robert Lee, Megan Statler
GEOL 4160: Introduction to Biogeochemistry	Darren Larsen, Robert Lee

Tutors:

Mike Berger
Undergraduate geology major
Michael.Berger@colorado.edu

Christina Johnson
Undergraduate geology major
Christina.Johnson@colorado.edu

Rachel Landman
Graduate student – thermochronology and tectonics
Rachel.Landman@colorado.edu

Darren Larsen
Graduate student – paleoclimatology and paleoceanography
Darren.Larsen@colorado.edu

Robert Lee
Undergraduate geology major
Robert.H.Lee@colorado.edu

Phil Orlandini
Undergraduate geology major
Omero.Orlandini@colorado.edu

Megan Statler
Undergraduate geology major
Megan.Statler@colorado.edu

Fees and times will be negotiated directly between the tutor and the student. Please email Rachel.Landman@colorado.edu with any questions or comments.
