Welcome, Graduate Students!  

One of the first steps to thriving in graduate school is to line up your resources from the get-go. Here is a short list of key resources to assist you. Please take advantage of them. And good luck!

John Stevenson  
Dean, Graduate School

When you ARRIVE

Attend your department orientation.

Learn your rights and responsibilities. As graduate students, you have certain benefits and rights. As faculty members, tinyurl.com/faculty-rights-duties.

Get your Buff OneCard. Pick up your card at the Campus Card Office, C4C015. Cash covers a $5 credit for printing services on campus. Cash Card can be used at the bookstore, 303-492-9295.

Check MyBuff. Confirm your schedule, pay your fees, check on financial aid, new announcements, take care of housing. mybuff.colorado.edu.

Submit admissions and immunization forms. Vital Link Health Center, colorado.edu/health, 303-492-8511.

Begin establishing Colorado residency for in-state tuition. If you are eligible to register for residency, the first steps are to set up your Colorado driver’s license and voter registration. See registrar.colorado.edu for additional details.

Research a study abroad. Calculate at NIFLS library career placement. Find the year for a year in a foreign country, first semester abroad by presenting a valid CU Boulder student ID at the circulation desk.

Find a job. If you need to work, you can find jobs at jobs.colorado.edu. Domestic U.S. students may qualify for work-study; call the Student Employment Office to find out. Regent 205, 303-492-7240.

Complete discrimination and harassment training. colorado.edu/bp/pages/training.aspx.

Familiarize yourself with the certificate programs. You can also get certificate programs that complement your degree. colorado.edu/admissions/graduate_programs/certificates.

Sign up for Campus Alerts. Receive real-time info about campus closures and other emergencies. alerts.colorado.edu.
