

LRAP • LRAP • LRAP

* **A little note from your friends at Libby RAP:** *Hi there! I hope you are all having the greatest last two weeks of your school year! I can't believe our freshman year is really almost over! Then we'll all pack up to leave for our homes. I really hope we can all stay in touch, not only through out the summer but next year as well. So make sure to get the numbers and addresses you need to remind your friends that you care. Also, come to the Celebration of the Arts tonight to see what your friends and fellow students have accomplished. Everyone is welcome and there will be cake! So work hard this week, it's the last week before finals, but don't stress too hard and remember to have fun! I will see you all next year! Peace* ~Mackenzie*
