4. A record of participation in GTP activities (available in the GTP office)

Please note: Finalists will be interviewed by the GTP/COPFFN Director and/or Interim Assistant Director, and Library Faculty members.

Please read the following and sign:

I understand that as a Provost's Fellow I am expected to respond to emails and participate in as many PFF (Preparing Future Faculty) activities as possible, including: attending 3 new GTP workshops, a COPFFN site visit to library on a partner campus, a CU library site visit, attendance and presentation at the annual Colorado PFF Forum (COPFFN), meetings, and a faculty library mentorship.

I agree to provide the GTP/COPFFN at CU-Boulder with a current copy of my CV and transcript and I give permission to the GTP/COPFFN to communicate with the appropriate library faculty as needed in order to obtain a fellowship and assess the program. My file will otherwise remain confidential.

At the beginning of my fellowship my library faculty mentor and I will agree upon a written plan for the fellowship. At the end of my fellowship, I will write a detailed evaluative summary (a Socratic Portfolio) and submit it to the GTP/COPFFN.

I will make a presentation on my experience at the next COPFFN Forum on Saturday, February 27, 2009 in ATLAS 100. I will also complete the online Provost's Fellow Pre-Survey and the Exit Survey, with the understanding that my confidentiality will be protected with respect to any data reported. If further assessment of the program is carried out, I will respond as required.

I understand that my status and financial support as a Provost's Fellow for the Libraries is contingent upon my active participation and that the Graduate Teacher Program/COPFFN reserves the right to cancel my status and financial support as appropriate if I do not fulfill the obligations noted above.
