Departmental Approval Form: Provost's Fellow in Technology

This form is to be filled out and signed by appropriate departmental faculty and submitted to the Assistant Director of the GTP/COPFFN as part of the Provost's Fellow in Technology application packet.

Applicant Name: _____

Department: _____

Date submitted: _____

I am aware of and approve this applicant's participation as a Provost's Fellow in Technology, a title limited to at most five outstanding CU-Boulder graduate students each year, and one that is recognized and sanctioned by the CU-Boulder Provost's office and the Graduate School. I realize that each Provost's Fellow in Technology will receive a one-time award of \$2500 with the aim of supporting a digital-media-based project to deepen the applicant's understanding of the responsibilities of tenure-track faculty while strengthening the disciplinary ties between a CU department and its peer department on a campus in the Colorado PFF Network. This fellowship includes a 150-contact hour mentorship with an off-campus faculty mentor to produce the project referred to above, participation in COPFFN site visits, meetings and functions, the completion of a self-evaluation, the submission of a faculty evaluation of the Provost's Fellow's work, and the preparation of a Socratic portfolio.
