In applying for the Hearing Pool, a student could be used for a variety of positions within the Honor Code. The positions include: Hearing Panel Member, Investigator, Student Advisor, and Discussion Leader for the Academic Integrity Class. The positions are not assigned on a permanent basis, but are assigned on a per case basis only. A student in the Hearing Pool will be selected for a case based on their availability during that time, their class standing, their College/School, and their major. The reason for the selection process as just described is to give an accused student a Hearing Panel that includes his/her peers. In case there are multiple students who can sit on a case based on the above selection process, please indicate below your preferences for doing a certain assignment (1 being most preferable).
