Student Honor Code
Honor Code Pledge

“On my honor, as a University of Colorado at Boulder student, I have neither given nor received unauthorized assistance on this work”
Honor Code Violation Policy

• Any and all violations of the CU Honor Code in AES classes may be reported to the Honor Code Council. As per CU’s policy, the faculty member will determine the academic sanction for an offense. The CU Honor Code Council will determine any additional, non-academic sanctions.
Reasons for Academic Dishonesty

• Deliberate violation
  – deliberate plagiarism or cheating

• Inadvertent violation
  – e.g., where students do not know how to properly cite references

• Lack of awareness of wrongdoing
  – Students may not be aware that what they are doing is a violation because that particular behavior was acceptable in another academic environment
