CURRICULUM VITAE

DOUGLAS B. BAMFORTH

EDUCATION

- | | | |
|-------|---|------|
| Ph.D. | Anthropology, concentration in Archaeology
University of California, Santa Barbara. | 1986 |
| M.A. | Anthropology, concentration in Archaeology
University of California, Santa Barbara. | 1981 |
| B.A. | Anthropology, summa cum laude, departmental
honors, Phi Beta Kappa, University of
Pennsylvania. | 1978 |

RESEARCH AND TEACHING INTERESTS

Human Ecology	Philosophy of Science
Hunters and Gatherers	Quantitative Methods
Microwear/Lithic Analysis	
Great Plains, Ireland	

TEACHING EXPERIENCE

Full (2008 to present), Associate (1995 to 2008)/Assistant (1990-1995) Professor,
Anthropology Department, University of Colorado, Boulder.

- North American Archaeology
- Archaeological Method and Theory
- Introduction to Archaeology
- Gender Issues in Archaeology
- Introduction to Plains Archaeology
- Archaeological Field and Laboratory Research (summer field school)
- Graduate Core Course in Archaeology
- Hunters and Gatherers
- Archaeological Research Design
- Departmental Honors in Anthropology

Visiting Lecturer, Archaeology Department, University College, Cork, Ireland, August-December 1999.

Assistant Professor, Anthropology Department, University of Nebraska, Lincoln, 1987-1990.

Introduction to Anthropology
 Introduction to Plains Prehistory
 Archaeological Method and Theory
 Lithic Analysis
 Quantitative Methods in Anthropology
 Archaeological Field Techniques (summer field school)
 Archaeological Laboratory Techniques

Lecturer, Anthropology Department, University of California, Santa Barbara, 1983, 1986, 1987.

Lithic Analysis
 Methods of Microwear Analysis

RESEARCH EXPERIENCE

Academic

Project Director, University of Colorado, 9/90-present, University of Nebraska, Lincoln, 1/88-8/90. Design/direct the Medicine Creek Paleoindian Project, a multidisciplinary study of the early Holocene human occupation of southwestern Nebraska, funded by the United States Bureau of Reclamation. Collections and field research, project direction/coordination, budgeting, technical analysis. Total funding University of Nebraska: \$25,000; University of Colorado: \$100,000 from 1992 through 1996. **Academic publications: book (2007); articles/book chapters 1991, 2002 (2), 2003, 2005, 2008.**

Archaeologist, Federsee Project, southwest Germany, under Dr. Michael Jochim, 6/81-8/81. Excavation of a Mesolithic bog site. **Academic publication: book chapter 1993.**

Archaeologist, Lubbock Lake Project, under Dr. Eileen Johnson, The Museum of Texas Tech University, 1979-1981. High and low magnification microwear analysis, technological analysis, source analysis of all flaked stone artifacts from the Lubbock Lake Site. **MA research. Academic publication: article 1985.**

Crew Chief, Lubbock Lake Project, Lubbock, Texas, under Dr. Johnson, 1977-1978. Excavation, training/supervising personnel.

Field Assistant/Crew Chief, Gatecliff Rock Shelter, central Nevada, under Dr. David Hurst Thomas, American Museum of Natural History, New York, New York, 1975-1976. Excavation and map survey.

Field Assistant, St. Catherine's Island Project, St. Catherine's Island, Georgia, under Dr. Thomas, 3/75. Excavation and map survey.

Research Assistant, American Museum of Natural History, under Dr. Robert Bettinger, 1/74-6/74. Organization of survey data in time and space, computing descriptive statistics, cataloguing.

Contract

Archaeologist/Lithic Analyst, URS Corporation, Santa Barbara, 1/86-1/88. Analysis of lithic collections from Vandenberg Air Force Base, Santa Barbara County, CA. Research design, technological and microwear analysis, report preparation.

Academic publications: journal articles 1990, 1991.

Assistant Director, Center for Archaeological Studies, Anthropology Department, University of California, Santa Barbara, 6/86-7/87. Proposal preparation, research design, administration of projects totaling over \$300,000.00. **Principal Investigator** for excavation of historic Chumash village. **Academic publication: book chapter 1993.**

Associate Archaeologist, Applied Conservation Technology, Westminster, CA, 5/83-6/86. **Field Director/Lithic Analyst**, Intermountain Power Project: Design and implementation of fieldwork and analysis, analysis of production debris from five Mojave Desert quarry sites, report preparation. **Principal Investigator**, Texas portion of All-American pipeline project background research: literature search, site records check, mitigation program design, report preparation. **Academic publications: journal articles/book chapters 1986, 1988, 1990, 1992, 1997.**

Archaeological Consultant, Wirth Associates, Barstow, California, 9/84-9/85. Microwear analysis of stone tools from Fort Irwin Archaeological Project, for Dr. Claude Warren.

Archaeologist, Office of Public Archaeology, Social Process Research Institute, University of California, Santa Barbara, 3/79-5/83. Directed and worked on field excavation and survey projects around Santa Barbara County, under Dr. Pandora Snethkamp.

Project Director, Office of Public Archaeology, University of California, Santa Barbara, 6/82-1/83. Analysis of lithic collections from Vandenberg Air Force Base as part of the Vandenberg M-X Archaeological Project: proposal preparation, research design, collection of data on stone tool use, technology, and source; data analysis; report preparation. **Academic publications: articles 1986, 1990.**

Archaeologist, Henningson, Durham, and Richardson, Sciences Division, Santa Barbara, California, under Dr. William Doelle and Ms. Linda Mayro, 1979-1981. Collection and analysis of existing site data from the Great Basin and from west Texas and eastern New Mexico; impact analysis, report preparation; all for M-X project. **Data gathered in this capacity integrated into dissertation, published as book 1988.**
