MEMORANDUM FOR RECORD

SUBJECT: Dental Examination Requirement

1. Dental examinations performed by a dentist are no longer required as part of the scholarship and non-scholarship medical examinations due to a change in OSD policy in 2002.
2. Dental films for casualty identification purposes are required for all participants in the ROTC program who must use government-owned or government contracted transportation.
3. ROTC cadets must provide the name, address, and phone number of their dentist and sign below statement acknowledging that their civilian dental records contain descriptive profiles, bite wing x-rays, orthodontic profiles or dental x-rays.

MARK B. VAN GELDER
LTC, MI
Professor of Military Science

I acknowledge that the dentist indicated below has records containing my descriptive profiles, bite wing x-rays, orthodontic profiles or dental x-rays.
