

Faculty IT Advisory Group Agenda September 20, 2011

University of Colorado at Boulder Faculty IT Advisory Group 2011-2012

Tuesday, September 20, 2011 2-3 p.m. UMC 425

Role of Group, input/output takeaways from June

Discussion: Interactions, intersections with other [governance groups](#)

IT Project Updates: D2L, Exchange, Labs Study, Training Study

*Quick Question: How's D2L working for faculty in your area? **Homework!** [Click here for a list of courses in D2L this semester](#)*

Not-so-Quick Question: How can we speed up migrations to Exchange [and](#) ease the pain of migrations to Exchange?

Visible Migration Spectrum

IT Priorities: The IT Continuum as a Campus Strategy

Questions for and about [the reading](#) (**Homework!**):

- *Is this a sound strategy to pursue?*
- *What in this strategy resonates with you? What doesn't?*
- *Where are the potential points of failure or pain?*
- *To what extent does this strategy represent benefits on scales large and small?*

Meeting 2 Tuesday, November 15, 1-2 p.m. UMC 245

D2L transition update (communication, training, support focus)

Classroom capture and other rich media policies

Campus support models

Meeting 3 January???

D2L transition update

Supporting innovation and communities of practices

Learning spaces studies

Meeting 4 March???

D2L transition update (please, let us almost be done by now!)

Emerging and mobile technologies

IT Roadmap
