Motion to Amend the BFA Bylaws Regarding
Membership, Representation, and Quorum Numbers
BFA-R-XXXX

Whereas the BFA promotes clear, functional lines of communication between its members, their constituents, the administration, and students;

Whereas every faculty member should have direct access to a BFA representative;

Whereas every BFA representative should convey pertinent information and issues between their constituents and the BFA; and

Whereas it is vital for the BFA to meet quorum and conduct meaningful business;

Therefore, be it resolved that that the proposed BFA Bylaws revisions, dated February 2, 2017, be approved and adopted by the Assembly.
