

Boulder Faculty Assembly
Executive Committee
Motion on Presidential Search Procedure
BFA-X-M2-020408

WHEREAS

Recent searches for the President of the University of Colorado have arrived at a single finalist; and

WHEREAS

A single finalist diminishes the opportunity for significant University of Colorado stakeholders to participate in the selection process;

THEREFORE

Let it be moved

That the Boulder Faculty Assembly has no confidence in the current process of selecting a new President; and

That the Regents change policies under Regent Policy 3-E (Searches for Administrators and Guidelines for the Appointment of Chief Officers of the University) to ensure that: (1) the search committee is more representative of campus student, staff, faculty, and administrative governance bodies; (2) the Regents engage in direct consultation with faculty governance groups on each of the system's campuses before the announcement of a final nominee or nominees; and (3) the search committee bring forward more than one finalist.
