Whereas the BFA supports the academic excellence of the University of Colorado; and

Whereas the BFA wishes to acknowledge the students’ commitment to academic excellence; and

Whereas CUSG has approved a Resolution to Support the Reinstatement of Reading Days, which would create a reading period after the last day of classes each semester; and

Whereas Campus administration, working with CUSG leadership, has developed a plan that would do so; therefore

Be it resolved that the BFA endorses the reinstatement of reading days for the Boulder Campus, and requests Campus administration enact the plan.
