If you are claiming in-state tuition classification, you must complete this section regardless of previous classifications.

17. Are you claiming eligibility for in-state tuition classification? Yes No

If yes, carefully complete all of the following items. **Failure to complete the information may result in your being misclassified or may cause delays that could affect your chances for admission.** Check NA (not applicable) if appropriate. Month and year are sufficient for dates more than two years past. **In addition to your own information**, if you are **not age 23** on the first day of classes for the term for which you are applying, provide information on your parent or court-appointed guardian.

In-state tuition eligibility requires one year of Colorado **domicile** (legal residence). Exceptions to the one-year requirement are provided for active-duty military, Colorado National Guard members, Olympic athletes, faculty members at state-supported colleges, U.S. citizens who attended 3 years of high school in Colorado immediately prior to enrollment, and employees of companies moving to Colorado with State economic incentives.

Information about the Colorado resident/nonresident regulations including details of these exceptions is available from the Office of the Registrar at registrar.colorado.edu, by e-mail at tuitclass@registrar.colorado.edu, or by telephone at **303-492-6868**. Married applicants under the age of 22 and applicants who are not Colorado residents but who are married to active-duty military personnel who are Colorado residents or who will be stationed in Colorado should seek further information as indicated above.

Note: If you were previously classified as nonresident, you must submit a separate *Petition for In-State Tuition* to change your classification. Petitions are available from the registrar's office and must be submitted to that office by the first day of classes.
