

## 2019 INTERNATIONAL PEER MENTORS

### Yu Jin Byun

Hello, my name is Sylvia and I am Korean American. I eventually plan to major in finance and certify in quantitative finance! I am originally from Highlands Ranch, CO which is a little south of Denver so I know Colorado pretty well! I love being active, helping people, and trying new things! If there's anything you need help with, I would love to do so!

### Diego Chirico

My academic goals include taking the Finance and Accounting area of emphases and minoring in Economics. Some of the organizations I am involved in are Leeds Student Government, Leeds Investment and Trading Group, Leeds Ambassadors, and I'm on the exec board of Alpha Kappa Psi. I also worked at the student call center in the first semester of freshman year, but now work at the Campus Controller's Office as a Student Assistant. Some of the fun things I like to do in my free-time are hiking, off-roading, and watching movies!! As a mentor, I will happily offer you advice and be there whenever you need help whether it be academically, professionally, or socially.

### Sarah Holmes

Hi! I'm Sarah and I'm your potential mentor. I have a variety of culture backgrounds, my dad is from Florida, my mom is from Somalia and I was born and raised in Saudi Arabia which makes me Saudi culturally. I learned a lot during my first year at CU and immersed myself in many extracurricular activities so I believe I have what it takes to guide you through your first year with the necessary tips and hacks to surviving!

### Shunting Fu

I'm an international student who's majoring in marketing and finance. I'll try my best to help you for your first year journey in CU – our big family!!!

### Yi Lu

I will be a Junior from Aug 2019. My major is Accounting and Finance, if you have the same major as me, I will give you more information or helps. I am very friendly and I like helping people. If you have any problems, either in your academic study or campus life, just tell me!

### Sam Taylor

I am originally from Dortmund, Germany (any Borussia Dortmund Fans?) and moved to Colorado in 2014. I love the mountains and everything in them including hiking, snowboarding and fly fishing. I recently found my passion in climbing. I want to become an Entrepreneur so I can be my own Boss eventually.

### Xin Zeng

Hello! My name is Xin Zeng and you can call me Charlotte. I am a rising junior at Leeds studying Accounting. My hometown is in Hunan, China. I love engaging in CU communities. In my life I love reading and listening to music, and traveling. For the transition to American college, I'd like to share my experience and advice with you, and help you navigate your first year and the amazing school that is CU! Sko Buffs!
