Professional Organizations:
American Art Therapy Association, American Association of Art Museums, American Institute of Graphic Arts, College Art Association, Colorado Film Commissions, Colorado Music Association, Industrial Designers Society of America, The National Association for Music Education

Description of the Field:
The entertainment field is broad and includes both performers and technicians in areas of television, film, and music. Entertainment careers can allow for great self-expression and the ability to create; however, many students peruse additional arts-related or second jobs when starting out.

While starring roles require time and dedication, there are a steady stream of additional jobs within the entertainment industry.

Adapt for a Changing World

Insider Advice & Trends:
Take advantage of any opportunity to volunteer or intern with an organization of interest. Attend shows, plays, and performances of interest. Connect with people who are run shows and ask about opportunity to volunteer. Get involved with creative departments on campus like the College of Music productions and Theater/Dance. Consider multiple avenues and opportunities to make a successful living.
