PSCI 3102 South Asia Politics

Instructor: Prof. Sam Sonntag

MWF 2:00-2:50 pm

Hellems 211

How does South Asia's immense cultural and regional diversity affect its politics? What are the politics of **India's** enduring poverty and its new status as an emerging market? What was behind **Sri Lanka's** civil war? Why was there a Maoist insurgency in **Nepal**? Has **Pakistan** reversed course on the road to a failed state? We'll examine these questions and more in this political science class.
