THE CIVIL ENGINEERING DEPARTMENT BS/MS APPLICATION INSTRUCTIONS

- 1. Complete the **Application for Admission to the Concurrent Bachelor's/Master's Degree Program** (MUST indicate area of specialization on application);
- 2. Complete Application for Graduate Admission Part II;
- 3. Complete all four **Request for Recommendation** forms
 - a. Give a Request for Recommendation form to each of your Recommenders;
 - b. *Recommenders should return the **Request for Recommendation** form and their letter of recommendation directly to the CEAE Graduate Program Coordinator;
- 4. Meet with the CEAE or EVEN Undergraduate Coordinator to obtain a signed copy of your CIVIL, ARCHITECTURAL, or ENVIRONMENTAL ENGINEERING UNDERGRAD GRADUATION CHECK;
- 5. Obtain a copy of your unofficial transcript (MyCUInfo)

Deadlines to submit BS/MS application: Fall – March 31 Spring - October 30

- There is no application fee required for submitting a BS/MS application
- Read Guidelines for Concurrent Degree Program BEFORE submitting a BS/MS application
- Students are expected to submit applications during the sixth or seventh semester of their undergraduate program and have a minimum GPA of 3.25
- As a guideline, applications will be considered from students who have completed at least 75 credit
 hours but not more than 110 credit hours of the necessary coursework to satisfy the requirements of
 the BS degree
- A student will be allowed to use up to a maximum of 6 graduate units for both the BS and MS degrees
 if the student can maintain a 3.5 GPA or above in their immediate next 24 credit hours after entering
 the joint degree program
- Applications will be evaluated by the individual graduate programs in the department and administered through the graduate committee
- Additional restrictions may be placed on these rules by the individual programs

Return these items to Graduate Program Coordinator by the BS/MS application deadline:

Application for Admission to the Concurrent Bachelor's/Master's Degree Program
Application for Graduate Admission - Part II
CIVIL, ARCHTIECTURAL, OR ENVIRONMENTAL ENGINEERING UNDERGRAD GRADUATION CHECK LIST
Unofficial Transcript

*Four letters of recommendation and forms should be delivered/emailed/mailed by the BSMS application deadline to:

Research and Graduate Education The Graduate School & CEAE | Policies

The Graduate School | Policies | Guidelines for Concurrent Degree Program

The Concurrent Bachelor's/Master's degree program offers the opportunity of pursuing the Bachelor's and Master's degrees leading towards the awarding of the degrees at the completion of the joint program. The program is normally a 5-6 year program designed for currently enrolled CU Boulder students.

Initial admission to the program typically occurs during the Junior year. Minimum standards for admission require a cumulative G.P.A. of 3.25 and completion of all MAPS deficiencies. Additional admissions criteria are determined by the individual departments in conjunction with the appropriate school or college deans. Any interested student should contact the relevant department.

Students admitted to the concurrent degree program will maintain their undergraduate standing until the mid-program review which will determine the student's eligibility to continue in the concurrent degree program. The review of eligibility should be conducted at the end of the student's senior year. A student will be considered eligible to continue upon meeting the following minimum standards and criteria: completion of 120 hours (128 in engineering), completion of the department and School/College requirements for the undergraduate degree, maintenance of a minimum cumulative g.p.a. of 3.0 or better as required by the individual department, and maintenance of full-time status with the completion of 24 credits per year. Upon determination of eligibility to continue, the student may request that they be recommended for formal admission to the Graduate School. Such a recommendation must be made by the department's program administrator and should be endorsed by the dean's office of the appropriate school or college. Upon approval of the recommendation the office of the Dean of the Graduate School will complete the necessary procedures to admit the candidate as a graduate student for the completion of their program. Any students not recommended for continuation in the concurrent degree program will be eligible to complete their Bachelor's degree. Upon successful completion of the concurrent degree program, both the Bachelor's and Master's degrees will be awarded simultaneously.

The concurrent degree program will be administered jointly by the Graduate School and the respective undergraduate School or College. The major department will assume primary administrative authority and responsibility reflecting the full authority and standards of both the undergraduate and graduate degrees (including any minimum standards which may be unique to concurrent degree students).

Basic Requirements and Minimum Standards

- 1. Students in the concurrent degree program must be full-time (average 24 credits per year), continuously enrolled students maintaining a minimum cumulative g.p.a. of 3.0 throughout their enrollment (department's may establish higher standards for g.p.a).
- 2. Only currently enrolled, University of Colorado Boulder students, may be considered for admission to the program. Transfer students must complete at least 24 credit hours as a degree-seeking student before applying to the program.
- 3. Students who are admitted to the concurrent degree program may not pursue a double degree or double major of any other kind.
- 4. Any MAPS deficiencies must be completed prior to admission to the concurrent degree program.

Research and Graduate Education The Graduate School & CEAE | Policies

- 5. Issues of satisfactory academic progress, petition/appeal, transfer credit and grievance shall be monitored by the individual department's program administrator regarding departmental major requirements and minimum standards of achievement. In addition, the dean's offices shall appoint representatives to the Concurrent Degree Appeals Committee (CDAC) which will consider appeals and review standards regarding school/college or university requirements or issues that cross undergraduate/graduate or school/college lines of authority. All decisions regarding appeals, exceptions, or issues of adequate progress shall be copied to the following: the student, the student's department administrator, and the appropriate undergraduate or graduate dean's offices.
- 6. Concurrent degree students may not participate in the Time Out program. Exceptions may be granted only after consideration by the CDAC based on a review of extenuating circumstances.
- 7. Time limits for the concurrent degree programs will generally be 5-6 years as specified in the departmental guidelines. Extensions of time limits will be approved only after consideration by the CDAC based on a review of extenuating circumstances.
- 8. Minimum cumulative G.P.A. for all students enrolled in the concurrent degree program must be maintained at 3.0 for the duration of the program. Departments may establish G.P.A. requirements that are higher than this minimum standard and will be responsible for monitoring the progress of the students within their program. Each department will be responsible for providing a report of student progress through the program to the appropriate undergraduate and graduate school/college dean's offices. Departments will be responsible for establishing a procedure for probation or dismissal from the concurrent degree program if their departmental standard is higher than the minimum. The Graduate School will be responsible for monitoring the minimum standard and notifying students who are placed on probation. Concurrent degree students may not be admitted to a Ph.D. program prior to completion of both the Bachelor's and the Master's degrees.
- 9. Students are awarded the undergraduate and master's degrees simultaneously at the completion of the concurrent degree program.
- 10. Students in the concurrent degree program may be eligible for TA/RA appointments at the discretion of their department. Undergraduate students are eligible, under the normal rules of appointment or eligibility, for RA/TA appointments, scholarships, fellowships or other types of support or recognition which would normally be available to undergraduate students. Likewise, students who have been approved and admitted to graduate student status will be eligible for RA/TA appointments, scholarships, fellowships or other types of support or recognition which would normally be available to graduate students.
- 11. Appeals of, or requests for exceptions to concurrent degree standards, rules or policies of the departments, schools/colleges will be reviewed by the CDAC.

These guidelines shall be adopted as of October 19, 1999 under the unanimous support of the Council of Deans and the approval of the Vice Chancellor of Academic Affairs.

Phil DiStefano
Vice Chancellor of Academic Affairs

University of Colorado Boulder

Application for Admission to the Concurrent Bachelor's/Master's Degree Program

Student Instructions: Please complete the top portion of this form and return to your department along with any required department information for evaluation of admissions qualifications.

Includes all programs approved as of September 2011.

Please note that the Graduate School is responsible for changing major codes for students who have been accepted into the concurrent degree program. The new major code allows identification and tracking of these students. Note: certain codes previously used are now obsolete: EPO2, KIN2, ISA2, and IST2 were replaced by EBI2, IPH2, SYA2, and SYT2, respectively.

Concurrent Bachelor's/Master's Degree

Mid-program Review and Recommendation for Advancement to Graduate Status

To comply with Title IV Higher Education regulations, CU-Boulder students pursuing a concurrent bachelors/master's degree will automatically be changed to graduate status after the completion of 130 credit hours (or 145 credit hours for a student in the College of Engineering and Applied Science). Students at graduate status are assessed graduate tuition rates and are no longer eligible for COF. In addition, graduate students receiving financial aid are considered "independent" and are no longer eligible for aid requiring undergraduate status. Students who want to advance to graduate status before completing 130 or 145 hours, but after completing all undergraduate requirements, should submit this form.

Stud	ent Name:		SID #	
Dep	artment:			
	become eligible for admission to the following conditions:	Graduate School, t	the concurrent bachelor's/master's degree student n	nust
1.	Completion of 120 credits (128 fo	or engineering stud	dents) date credits completed	
2.	ves	no	quirements for the Bachelor's degree date of completion to be completed (must be before semester of advancement)	
3.	Attainment of minimum GPA sta yes	ndards for the pro	gram and the department GPA	
4.	Maintenance of full-time status by yes
