Quick Reference Guide - How to Run a Degree Audit

1. Log into your student portal  
   - https://myCUinfo.colorado.edu

2. Click on the “Student” tab

3. Click the “Degree Audit/Transfer Credit Evaluation” link

4. Choose from either option:
   - **Current Program(s)/Major(s)** option for the student’s current degree program as officially indicated on the student record
   - **“What If” Program** option to see how a student’s coursework would apply if the student changes majors or colleges.

5. Click the “Submit a New Audit” button
