Exam Proctoring Guidelines

1. Exams are administered by DS Sunday 10 am – 3 pm; Monday through Thursday from 7:30 am–6 pm during regular operating hours. Exams held beyond these hours must be arranged through the professor.
2. The student must be approved by the student's Disability Access Coordinator to have individual exams proctored in DS. A student's accommodation letter must state exams are to be proctored in DS, or the Coordinator has to grant an Exception for the student to take individual exams in DS.
3. Students should remind professor about upcoming exams. Check with DS to ensure exam(s) were received.
4. Students and professor wishing to cancel a scheduled exam need to communicate with DS as soon as possible to allow DS to cancel proctors and minimize costs.
5. Students who do NOT show for scheduled exams will be referred to the Disability Access Coordinator to discuss. DS will communicate to professor that the student missed the exam.
6. Students should expect that exams will be proctored, and that they will be observed in person and/or by video recording. A proctor is allowed to check materials that the student has in her/his possession.
7. Items such as notes, books, and calculators cannot be used by the student unless confirmed by the professor on this form prior to the exam.
8. Personal items may not be taken into the testing area. Food, drinks, gum are not allowed in the testing area unless it is a DS authorized accommodation. Water is allowed.
9. The student will not be able to leave the examination area during the exam unless stated in her/his accommodations or approved by DS staff.
10. Students are responsible for bringing her/his own supplies and references, as have been permitted by the professor or the student's DS accommodations.
11. If a student is suspected of academic dishonesty during an exam, DS will inform the professor who will determine the consequences.
