- With a legacy of campus leadership and innovations, campus leaders will explore what success looks like from their vantage points, how the campus can practice resilience and use the lessons learned from the challenges of the past year, and where we can have impact moving forward. A series of short presentations followed by discussion.
- **[Campus Sustainability Awards](#)**  
The 24th annual awards program recognizes outstanding individuals and departments who demonstrate a sincere commitment to continuing the CU Boulder tradition of leadership and student participation in campus sustainability. Awardees exhibit innovation that directly reduces the University's ecological footprint, enhances social cohesion and equity in the campus community, and/or integrates sustainability into the culture of Boulder and our local communities. Presented by: JB Banks, David Kang, Jim White, [Claudius Mundoma](#)
