

# Success with Shared Equipment Saves Research Funding

## Biochem Cell Culture Facility

Keeping scientists  
focused on research  
while a **manager**  
takes care of logistics

Scientists avoid  
**\$195,000/yr**  
in costs for labor and  
consumables

University avoids  
**\$58,000/yr**  
in costs related to  
energy and space
