

CU Green Labs Mobile Freezer for Flammable Chemicals

IMPORTANT RULES TO FOLLOW:

Always wear gloves when using this freezer

Secondary containers required in mobile freezer

Chemicals that are polymerizable/highly reactive, have inhalation hazards, or have strong odors must be stored in ziplock bags and a secondary container

No food or drinks

No radioactive materials

Use disinfectant only if biosamples are stored in this freezer- spray down all surfaces inside and out before and after use

Freezer must be returned clean and free of chemicals

When the freezer is unplugged, please be sure to prop the door so mold does not form inside

Contact CU Green Labs to borrow this freezer
