UNIVERSITY OF COLORADO AT BOULDER, Boulder, CO

PUBLIC ECONOMICS

H00: Public Economics

JOE AD Category I, U.S. Academic Full-Time, Tenured & Tenure Track

The Department of Economics invites applications for a tenure-track position in Public Economics to begin August 2010. While we anticipate hiring at the assistant professor level, applications at other levels will be considered from those who would strengthen the Department's diversity. Candidates at the assistant professor level ordinarily should have completed all requirements for the Ph.D. by August 2010, though it is possible for candidates who have finished all but the dissertation to begin work while completing the degree. A Ph.D. is required for appointment at the Assistant Professor level. Applications are accepted electronically at <https://www.jobsatcu.com>, posting #807542. Review of applications will begin on October 15, 2009 and continue until the position is filled, though we expect to meet with candidates at the ASSA meetings in January 2010. The University of Colorado is committed to diversity and equality in education and employment. See www.colorado.edu/ArtsSciences/Jobs/ for full information.
