Section 1: Content Requirements

The coursework requirements below reflect the content knowledge all candidates will be accountable for as secondary Latin teachers. **These requirements may be fulfilled with previously completed college-level coursework. To receive credit based upon previous coursework, the course must be:**

- Completed at a regionally accredited institution of higher education and for college-level credit.
- Completed with a grade of "C-" or better on a 4.0 scale. Pass/Fail credits will not be accepted unless documented on the institution's transcript that a "pass" is equivalent to "C-" or higher.
- Advanced Placement (AP) and International Baccalaureate (IB) credit may be accepted towards the requirements if the scores meet CU Boulder testing standards (see the CU Boulder course catalog online for score requirements).

It is *not* required that all content requirements be fulfilled before applying for admission, but all requirements must be completed *prior* to the student teaching semester. Applicants with significant deficiencies in the content requirements may not be adequately prepared to enter the program and may be asked to reapply. The School of Education evaluates each applicant's transcript(s) to determine which content requirements have already been fulfilled, and those that the applicant must still complete. All applicants will receive a copy of their checklist upon admission. For students that have deficiencies in the content requirements, recommendations for completing these courses "at CU" have been provided below.
