 Student ID: _____
 Major: _____

Evaluator: _____
 Date: _____

Section 1: Content Requirements

The coursework requirements below reflect the content knowledge all candidates will be accountable for as secondary English teachers. These requirements may be fulfilled with coursework you are completing towards your major or your college's core requirements. It is *not* required that all content requirements be completed in order to apply and begin the teacher licensure program. However, all requirements must be satisfied *prior* to the student teaching semester. In order to fulfill a requirement below, the course must be: a) Completed for a grade (no Pass/Fail); b) Completed with a grade of "C-" or higher.

Advanced Placement (AP), International Baccalaureate (IB), and transfer credit may be applied towards the content requirements. However, this is dependent upon how the university awards equivalency for these credits. Major exemptions to the Arts & Sciences Core Requirements might not apply the Teacher Education Program. Contact an education advisor with questions.

All applicants to the teacher licensure program will be evaluated against the requirements below. Upon admission, all students will receive a completed copy of their checklist which will indicate the requirements that have already been fulfilled, and those that the student still needs to complete. You may also run a degree audit for all licensure programs through the MyCUInfo portal.
