Be sure to upload the *Tuition Classification Form* if you are applying for the in-state tuition status. Also, if you answer “yes” to the criminal history question you must upload the *Criminal History Form* before submitting your application.

#### Is the GRE required?

No. If you previously sent GRE (or other test scores) to the University of Colorado they may appear in the *Standardized Tests* section of the application. However, we do not consider these in our evaluation for admission.

#### Am I required to attach supplemental documents?

No. In the *Upload Documents* section you have the option to upload supplemental documents. This is not required for the MA Plus application.

### 2 Three (3) Letters of Recommendation

The CU Graduate Application for Admission allows you to have letters of recommendation submitted electronically. To do so, provide the name and e-mail address of your recommenders in the *Background Information* section of the application. **Electronic submissions are preferred.** Letters that are not submitted electronically should be mailed to the Graduate Admissions office at the address provided on [page 5](#). We will accept letters from various sources:

- Two letters should come from a college-level instructor who can speak to your academic competencies. Two academic letters are preferred.
- If you cannot acquire an academic letter, the letters may be from someone who can provide

anecdotal evidence of how you interact with youth and your suitability to the teacher profession.

*Continued on next page →*

- As a last option, your letters may be written by an employer who can provide anecdotal evidence of about the following skills: written and oral communication, analytical reasoning, and/or the ability to read complex material. Employer letters are often considered “weaker” than the alternatives above.
- Letters may not be from a neighbor, friend, or relative.

**IMPORTANT:** If you choose to have recommendations submitted electronically, your recommenders will receive an automated e-mail requesting their letter *after you have submitted the online application*. **You must submit the application prior to the deadline to allow your recommenders time to write and upload their letter.**

**Is it possible to submit letters of recommendation on paper?**

Yes. Although electronic submissions are preferred, your recommender may mail their letter to the address on page 5.

**My recommender did not receive the automated e-mail – what can they do?**

Not a problem. Instruct your recommender to e-mail their letter to [gradprocessing@colorado.edu](mailto:gradprocessing@colorado.edu) as a .doc (Word) or PDF attachment.

**Is there a form for the letter of recommendation?**

No. Letters should speak in support of the applicant’s pursuit of a teacher licensure program specifically, but there is no prescribed format.

### 3 Personal Statement

The personal statement must be uploaded prior to submitting the CU Graduate Application for Admission. You will be asked to upload your statement in the *Upload Documents* section. Your statement should be a maximum of 1000 words and should address each of the following:

- Why do you want to become a (level/subject) teacher and why now?
- Description of a powerful learning experience in your life and how it might inform your own teaching in the future.
- Reflection on personal *strengths* (e.g. intellectual passion, academic abilities, dispositions to work with youth and professional colleagues) and *lived experiences* that you will build upon to reach and teach *all* learners.

### 4 University Application Fee \$50

The application fee may be paid online by credit card, debit card, or electronic check when you submit your application. **Do not select to submit your application unless you are absolutely ready to pay the application fee.** If you select to submit the application but do not pay the application fee your application will go into an inactive status. You will need to contact the Office of Admissions at (303) 492-6301 to have this resolved. You may also pay the application fee by check. Please make checks payable to *University of Colorado* and mail them to the Graduate Admissions office at the address provided on page 5.

### 5 Youth Experience

All applicants must submit documentation of 25 clock hours of age-appropriate youth interaction (*Elementary: ages 5-12, Secondary: ages 11-18, Music: ages 5-12*). The experience may be completed up to five (5) years prior to the term of enrollment. Experiences may be completed on a paid or volunteer basis. All hours must be documented on the [Youth Experience Verification Form](#). Multiple forms may be submitted if hours are completed with various programs or supervisors.

Continued on next page →

**What is an acceptable experience?**

There are a number of ways to satisfy the youth experience requirement from tutoring, working with after school programs, summer camps, to coaching. Activities should be participatory, *not observational*. **We do not accept** any form of peer counseling performed in high school, babysitting or nannying, any experience supervised by a relative or friend, any experience involving your own children, child relatives, or a friend's children.

**Where can I go to fulfill my youth experience hours?**

We recommend contacting local schools or community organizations to learn about available opportunities. The School of Education cannot place you for this requirement.

## Transcripts

You must submit one (1) official transcript from *EVERY* higher education institution that you have attended regardless of the length of attendance, the number of credits earned/not earned, or overall academic performance. *Even if all of your credits reflect as transferred coursework on another institution's transcript, you must still send an official copy from every institution.*

**Electronic Transcripts** may be submitted to [gradprocessing@colorado.edu](mailto:gradprocessing@colorado.edu).

**International Transcripts** must be converted into the United States system. [World Education Services, Inc.](#) is the agency we recommend for this service. If you choose a different equivalency agency, contact the School of Education in advance at (303) 492-6555 to verify that their report will be acceptable. **A course-by-course report** must be submitted along with an original, official, copy of your transcript.

**Do I need to submit my University of Colorado transcripts?**

No. The School of Education can pull your CU academic record internally (from any campus attended). You will be contacted if there is an issue obtaining your CU record.

**Why do I need to submit all of my transcripts?**

The School of Education evaluates cumulative GPA based upon an applicant's entire academic record (undergraduate, graduate, non-degree, etc...). Additionally, we will accept previous college-level coursework towards the Content Requirements on the *Requirement Checklists*. As evidence of your proficiency in a particular requirement, official documentation is required.

In addition to the fingerprint card, you must also submit a **cashier's check or money order for \$39.50 exactly, payable to Colorado Bureau of Investigation**, to the school of Education. A cashier's check can be obtained from your personal bank and money orders can be obtained from most grocery stores.

#### What are the fingerprints used for?

Fingerprints are submitted to the Colorado Bureau of Investigation (CBI) and the Federal Bureau of Investigation (FBI) for a state and national criminal background check. This is a state mandated requirement for Colorado teachers. If you fail the criminal background screening, you will not be admissible to the teacher licensure program. If you have concerns about this requirement, please contact CDE at (303) 866-6569 to discuss how your background may impact your ability to become a licensed teacher.

## Tracking Your Materials

You can track the status of your application by logging in to the [MyCUBoulder](#) portal. Click the “APPLY” tab to view your application checklist. Your checklist will be updated to reflect the materials we have received. Keep in mind that mail typically requires 10 days to be received and additional time to be processed through the application office.

### How do I log in to MyCUBoulder?

Use the username and password you created when you began your online application. If you are having difficulty logging in to the portal, click on their “[Getting Help](#)” link.

### How long does it take to update the checklist?

Allow up to **10 business days** for items to be marked as “Complete” on your checklist from the time they are received. This may take longer during periods of higher volume (i.e. deadlines). If you apply on the date of the deadline, your application will not reflect as “Complete” until after the deadline. Typically, this does not prevent your application from being reviewed.

## Admission Decisions

Admission decisions are typically distributed eight weeks after the application deadline. The School of Education will send your official admission decision via e-mail. Please continue to check the e-mail account you provided on your application. We ask that you do not contact the School of Education for an update on your admission status as this information is not available until the applications are reviewed. If we anticipate any delays in reviewing applications, we will contact you via e-mail.

### Will I be contacted by the School of Education even if I am declined admission?

Yes. All applicants that submit a complete application by the deadline will be considered for the program. You will be notified of our decision by e-mail.

### If my application is rejected, will you tell me why?

We attempt to provide feedback to any applicant that is declined admission in our official letter. This feedback is designed to help applicants to improve their application if they wish to reapply. Keep in mind that applications are considered as part of an applicant pool. In more competitive licensure areas, applicants that meet all of the admission criteria may be declined admission.
