

ATLS3519-010/011 (Lec/Lab): T 12:30-1:45, TH 12:30-3:20 in ATLS 1B25.
“Special Topics: Global Warming and Video Production” .

What's happening to our world?

Explore climate change
from many perspectives

...Science
...Societal impacts
...Emotional

We will work on film projects in small groups, exploring climate change issues, to create a juried film festival.

Instructors: Prof. Becca Safran (EBIO), Prof. Kendi Davies (EBIO),
Mike Ligouri (Videographer, CU Media Communications).
